Foresight, turnkey, exclusive.

Invitation Exclusive Executive Dinner focused on:

BUILDING AN AGILE 21ST CENTURY FINANCIAL SERVICES ENTERPRISE

From 6:30 PM to 10:30 PM

Date and location

Toronto CANADA Wednesday 13th July 2016

We hope you can JOIN US for executive conversations and networking at the exclusive CxO dinner in Toronto.

We are aware that Technology must remain close to your agendas for the upcoming months as many will need to invest in new technologies in order to innovate and transform the business model. Adopting new age technologies and investing in continuous innovation is the only way to differentiate and sustain a competitive advantage. We will be bringing together an exclusive group of executives interested and responsible for choosing new technology and utilizing technology investments to help improve efficiency and grow the business.

It will be a dinner of 15 senior level executives who have responsibilities in this area, therefore, your confirmation and commitment is extremely important.

To register or further information, kindly send a quick email to registration@sws-srl.com

The Executive Dinner Building an Agile 21st Century Financial Services Enterprise is created to discuss in a high-level peer-to-peer environment.

This exclusive event is limited to a number of executive guests. Participation is per Invitation only and free of charge.

Join executives in the group below for conversation, exchange of ideas, and networking at our intimate, invitation-only Building an Agile 21st Century Financial Services Enterprise dinner.

- CIOs
- Chief Innovation Officers
- Chief Data Officers
- Head of Innovation
- VPs of IT
- IT Directors

We will discuss

- Introducing the paradigm of **Two Speed IT**
- New Age **Application Platforms**
- **Maturing platform** in an enterprise

- Is FinTech/Challenger banks with digital platforms the Future?
- Is the model of full service banking dead going forward?
- How much can our mobile phones displace branch banking in future?
- When can we expect to see the first digital only currency?
- What do you think is next for payments?
- Innovations you see using the block chain?
- Does legacy modernization play a role in digital transformation?
- How is the change in consumer behavior impacting the disruption we see in the market today?
- Focus on Innovation and how financial institutions are responding to the challenges imposed on them by the regulators while responding to the disruption being caused in their market place by the Fintech companies and startup banks.
