EXCLUSIVE EXECUTIVE DINNER BY INVITATION ONLY

DIGITIZATION DRIVE OR GET DRIVEN?

Forrester surveyed over 380 CxO's and Functional Heads across our core verticals (Telco/FS & Banking/Retail) to produce the report entitled **'Winning in the Customer Era'**.

73% of firms believe that traditional business models will disappear in the next 5 years due to the digital revolution. Digital disruption will change business models rapidly: delivering great customer experience, while navigating huge volumes of data, agile and disruptive competitors and fighting increasingly sophisticated fraud are some of the key business challenges that organizations face today. Discuss exclusively with other Austrian C-Level deciders, the challenges, and trends and benefit from getting insights into successful concepts.

WE WILL DISCUSS

- ▶ Forrester C-level **Research Results**
- ▶ Trends and challenges in digitization
- ▶ Protecting the online channel from Digital Fraud
- ▶ Experience sharing - **Business trends** we see from our clients
- ▶ Experience sharing - Share latest **insights and benefits from projects**
