EXECUTIVE GUESTS TESTIMONIALS

Thank you!

- 1. Well-managed event and experience*
- 2. Good selection of people from different industries & just the right presence from ForgeRock - didn't feel like being sold too, more exposure to questions and areas we should be thinking about.*
- 3. Interesting awareness and exposure for me on this topic*

Retained 3 things:

- a) Opportunity to converge external and internal identity management*
- b) Design for scale*
- c) Separate Identity management from CRM/PRM etc*

Thank you again - food and wine were delicious!
