## EXECUTIVE GUESTS TESTIMONIALS

*Thank you once again for the invitation!*

*The event was very well organized and informative. It was easy to get into conversation with all participant, to exchange on the subject, discuss business trends and future challenges, especially on the same table.*

*I hope to see you also soon again!*

*Great Event, very interesting presentation. Nice place, nice people, great organization!*

**Head of Group Credit Risk Methods and Models  
Erste Group Bank**

*The organization of the evening was perfect, the content of the interventions also good. Well organized event. Thanks for the invitation.*

**Head of Security  
Sberbank Europe**

*The event was very well prepared!*

*Liked the careful communication before the event, clever SMS reminder some hours before the event. For sure it helped to keep discipline with reminder "refrain" from short-termed cancellations. Since quite frequent from experience reception and organizational moderation during meeting was very good:*

- *to the point, not too many words, but guidance was always available. Really good!*
- *Intention of chauffeur service is very nice, but from my perspective not really necessary.*
- *Prominent choice of participants-*
- *Location in city center good choice, hotel attractive.*
- *Presenter "Fraud & ID" very vivid, interesting, catching - obviously good choice!*

## EXECUTIVE GUESTS TESTIMONIALS

*It has been a pleasure attending this event - I usually select very carefully the respective events as I always search for an added value for business and of course for enhancing my horizon as I am curious to share experience.*

*I enjoyed very much the choice of the location, the careful selection of the participants and of course the discussions as well as the short keynote.*

*The evening was professionally hosted and the moderation was keeping the discussion ongoing very smartly.*
